

Learning that Lasts

The Catalyst™ learning platform makes practice—and therefore, lasting impact—a reality.

Catalyst™ is a personalized learning platform that acts as each learner's home base throughout their DiSC® journey. Designed to support instructor-led facilitation or individual exploration, Catalyst helps people adapt to others in real-time, unlocking engagement and inspiring more effective workplace collaboration. **Catalyst integrates DiSC into the flow of work, ensuring takeaways are readily applied.** On Catalyst, learners will gain access to:

Your DiSC Style:

Catalyst introduces learners to their unique DiSC style using a narrative-style format that illuminates personalized insights around behavioral preferences and tendencies, laying the groundwork for a transformational learning experience full of “aha!” moments.

Your Colleagues:

The Your Colleagues feature turns insights into action by connecting learners to their colleagues and offering real-time tips for more effective interactions. Learners will discover their colleagues' strengths, preferences, tendencies, and what causes them stress.

Your Group:

This fun, interactive feature helps teams work better together. By combining DiSC with actionable group insights, teams build cohesion while adapting their behaviors for optimal performance. Learners can create multiple groups, plot members on a DiSC map, and shed light on team dynamics that influence results.

Access Their DiSC Applications:

Catalyst offers a range of DiSC application content—including Workplace, Agile EQ, and Management—designed to help learners develop the social and emotional know-how for more effective interactions at work.

Download Their Profile:

The Your DiSC Profile report is a highly personalized report that provides each learner with a comprehensive result of their Everything DiSC® on Catalyst assessment. The report contents depend on what applications the learner has access to within their Everything DiSC on Catalyst experience.
